Hello Roebling New Jersey!

I noticed that you have been coming to my web site several times this month. I don't know what you are looking for, but I welcome you for joining me. I would like to hear from you to know more detail about where you are in your search for a personal relationship with the Lord Jesus Christ. Are you just beginning the search or are you a long-time Christian looking for a more in depth understanding of the word? I don't know who you are but care about helping you to have a deeper relationship with the Lord. Please write me at hchowardsite@gmail.com and we can share our thoughts.

I have been in the body of Christ for many years and done much studying, but I am still understanding more every day. If you have read any of my writings, you will find that I believe in a personal relationship with the Lord and not just a church membership. The organization church does not save us but only a belief in the work of Jesus on the cross with the shedding of His blood for the forgiveness of our sins. We are all guilty because all have sinned and fallen short of God standards in some way. We cannot save ourselves, but God has provided a way for us to have a right relationship with Him restored. This is not by our works but by His work on the cross. Therefore, it is by faith in His shed blood alone that we can be saved not by any works we can do for we cannot do enough good works to save ourselves. Salvation is a free gift from God by faith alone.

The first step is to admit our sinful nature and repent and turn to Jesus for our salvation and if we sincerely repent and search for the truth of His word (Bible) then He will be faithful to forgive our sins and fill us with the Holy Spirit.

I will post this on my website in hopes you will read. I don't have another way to reach you. Keep searching and maybe we will connect.

Your brother in Christ

Howard
