Church Transparency 10 Catholic Church AND OTHERS

Churches do appear to be under correction in these times. I do believe that we are getting into the last times but it has been labeled the last times for 2000 years, but I am sure that I would not set any dates or even years until the end of the church age which is the Rapture or the Tribulation time which is the last seven years for Israel before Jesus' second coming and is the judgement of the nations of the world by God, but the world is going in the wrong direction and it is shaping up to look like the prophecies of the last days. It is shaping up as soon and therefore it is time for warnings to all those that are not "washed in the Blood of Jesus and received the Seal of the promised Holy Spirit" and not by organizational church membership.

Math 24:36 "But of that day and hour no one knows, not heaven, nor the Son but the Father alone."

We don't know the day or the hour, but we do know that Jesus will return and it is told that there are two returns but the first is to get His bride (Which most describe as the Church) but He only comes to the clouds and receives the Bride to be with Him in Heaven for a period of time and have the marriage of Jesus with His bride (Marriage super of the Lamb) which most understand is for seven years then comes the tribulation and at the end of tribulation time Jesus will return to the earth to rule and reign for 1000 years. This is the second coming.

Because many denominations/churches/teachers have not understood that two happenings are described and have believed and taught or set their doctrines based on only one return which is the second return which is coming to set up his kingdom but have thought that their churches are to build the **Kingdom on earth which will never pass away (see Dan 2)** with their organization church. They have with their pride and religion and churchism built many shrines and buildings and massive churches but without the Holy Spirit.

So, these are the churches and peoples that are being weeded out because they have only been organizations called churches but by name only. For they have not believed the first coming back which is the rapture and therefore will not be raptured with a glorified body and attend the “marriage supper of the Lamb” in heaven. Not all that are in these churches have lost their way, but it is imperative that they wake up and find the truth in the word and leave that deadness. Those that stay in these dead churches and do not believe the rapture will not receive rapture and will be left behind and receive the tribulation instead.

This is what is ahead of us but before us there is a falling away from the churches which appear to be a gradual happening over a period of time and it will be and will get worse as time goes on. So, in this falling away time it appears that the Lord is calling into account the churches and those that are professing as Christians but are false and are being weeded out.

You may have kept up with what is going on in the churches of today and you will notice the closings or at least the troubles of the Mega churches that have sprung up in the last few years but have been built on rapid growth and much practices of making it easy to go to church but that is not what Jesus said.

Matthew 10:22

You will be hated by all because of My name, but it is the one who has endured to the end who will be saved.

So many of the churches of today are trying to take away all the barriers of going to church and have established features that make it easy and make sure no one is in any way made to be difficult. That includes being sure that the sermons are easy on the ears, and none are offended. So, the gospel is not preached any longer but instead we hear the **tickling ear** message.

Tim 2 :4 I solemnly charge you in the presence of God and of Christ Jesus, who is to judge the living and the dead, and by His appearing and His kingdom: 2 preach

the word; be ready in season and out of season; reprove, rebuke, exhort, with great patience and instruction. 3 For the time will come when they will not endure sound doctrine; but wanting to have their ears tickled, they will accumulate for themselves teachers in accordance to their own desires, 4 and will turn away their ears from the truth and will turn aside to myths. 5 But you, be sober in all things, endure hardship, do the work of an evangelist, fulfill your ministry.

So, this is widespread in the churches of today and it is in many of the mainline denominational churches and many other doctrinal errors that have been passed on from generation to generation with very few that actually get their bibles out and check the validity of the doctrines. So, inbreeding brings error on top of error. Very few operate on the “narrow hard path but love the broad path which leads to destruction.”

So, it not just the protestant denominations that have been led astray by the world system and lack of understanding of the scriptures and by the influence of pride in denominational traditions and by a lack of the presence of the Holy Spirit in their churches and leadership and doctrinal error but the decline and decay stems back to the historical church led by the Roman church.

The mother of all false churches

The Catholic Church has been the mother of corrupt churches for many centuries and has carried with them the blood of ones they have tortured and killed with their false church organization and pompous clerics in their purple and scarlet robes and pointed hats and many religious symbols and the worship of men and of saints and worship of Mary and many statues instead of bowing to Jesus the Lord in humility. Instead, they have glorified themselves and have carried to their graves the many souls they have deceived in the name of Christ.

They have with arrogance named their leader Pope and made him the vicar of Christ on earth and the poor and uneducated in the word were taught to kiss his ring in worship and many other things that are the thoughts of the world system which is governed by Satan and his corrupt followers. They have made up lies they

invented to say that they were related to Peter the apostle and are carrying on as his successor and told this lie to all church members and if they did not believe this they were not just put out of the church but tortured and killed because they dared to believe otherwise. They have used fear and deception to keep them in line and if that did not work then death. Remember that deception is the tool of Satan the liar and deceiver and the enemy of Christ and not the vicar of Christ.

The truth is that the catholic church started after a long history of the church down through 600 years of history where there was no Pope and there had been many leaders of the church where there were many ups and downs. The catholic church did not start until around 600 A D and there have been many stories of domination and persecution by the Popes through that time. Get your history books out and read of the bloody trail of the popes. It is not pretty and is certainly not holy.

That is why there had to be another church to come along and that is the reformation Church but that has a lot of contaminated Christianity also. Which I will address later in other writings.

In the Vatican basement

It appears that the new Pope Leo has started to dismantle the many lies of the centuries of the Catholic Church. He dared to go down to the old dusty and hidden records of the church and found many hidden secrets of the past. He found corruption and stealing by high level Cardinals and covered by the church because it would have looked bad for the church. Many things were swept under the rug and hidden in their dark and dusty basement.

In the search for truth, He uncovered many errors of the Catholic church teachings which were obvious to him who although a priest and had served in humble settings in poor circumstances he was not operating in the Vatican political climate. He has removed the worship of Mary and the confessional to Priests and many other relics of the Catholic church. I have tried to search the news from the Vatican, but it has been captured by the AI of today and you are not sure what is real and what is manufactured news He has set out to open up the blinds to let in the light.

For it is dark in the Vatican basement for it has been sealed up from the search for truth based on the bible and the guidance of the Holy Spirit.

You cannot hide the lies forever, and it appears that some light has found its way into that dark and dusty basement where the bodies are buried. It appears that God has started to correct the many levels of the churches of today even that old and false church of the roman church.

While there is some flicker of light coming out of the dark basement of Catholicism, there are many errors that have not yet been uncovered, and I am not sure if they will continue to seek the truth. My concern is that they will stop short of the truth and settle on the works related belief which is not the gospel of salvation by grace through faith which is the center of Christianity. Remember these are men operating is man's will and with man's mind and are not operating is the spirit of Christ. This will then be man being deceived by the enemy.

If that is the case it will be in line of where the new one world order is headed for it is built on man building his kingdom on earth and the antichrist will be ready to lead the world the rest of the way to man's destruction.

Beware that no matter how much you call it the church you must be aware that the enemy started with the deception of a snake in the garden and is continuing to deceive in the form of false churches and preachers and priests.

Colossians 2:8

See to it that no one takes you captive through philosophy and empty deception, according to the tradition of men, according to the elementary principles of the world, rather than according to Christ.

I have just opened the search for truth with you, but I find few that are willing to question all denominational churches along with that untouchable roman church which is the mother of all deceptions. Having observed what is going on in the Catholic church I see only a few things change and that is with struggling to find ways to keep the old lies alive and appear to be seeking a renewal of direction.

They may try to put a fresh coat of paint on a dead catholic church, but they have not changed and still operate in a world religious system that does not operate in the truth of the gospel which as Paul it – *Gal 6 I am amazed that you are so quickly deserting Him who called you by the grace of Christ, for a different gospel; 7 which is really not another; only there are some who are disturbing you and want to distort the gospel of Christ. 8 But even if we, or an angel from heaven, should preach to you a gospel contrary to what we have preached to you, he is to be accursed!*

Seek the truth in all things! Your brother in Christ trying to open the truth in these times.
