WAKE UP

REV 3 :1 I know your deeds; you have a reputation of being alive, but you are dead. ² Wake up! Strengthen what remains and is about to die, for I have found your deeds unfinished in the sight of my God. ³ Remember, therefore, what you have received and heard; hold it fast, and repent. But if you do not wake up, I will come like a thief, and you will not know at what time I will come to you.

I have been led by the Holy Spirit to wake up the churches of my time for they have been drifting into slumber and to sleepiness and then to sleep. I was in the middle of it but was not able to reach you because you were blinded by the teaching of churchism which is full of religion, pretense, traditions, and formalism. Did you not ever hear or were you always asleep from the beginning? I walk into your religious services but do not find the spirit of the Lord in your midst but only formalism and traditions and superficial worship. Where did you get this form of godliness?

Was it from your imagination or human thinking or twisted interpretations to suit man's agenda. Satan's agenda is imposed in the minds of men and women when they are of this world's way of thinking. When one or most want to support an agenda then they just twist the words like Satan has always done. No, it is your imagination that has led you into this pit of blindness. You should know that the word is veiled to those who are not in Christ.

It is easy for dead leaders to lead dead people to destruction, but it is hard if not impossible for dead leaders to lead spiritually live people to destruction. Beware of dead leaders for they may look like nice and kind people on the outside that is why so many are led astray by doing works that appear to be righteous works, but they are dead spiritually on the inside and do not teach the word of salvation by grace but teach their works-based salvation. Much of this is driven by emotional human compassion but not the word of God. That is why they teach religion, formalism, pretense, traditions because they are of outward appearance and can be painted to look real but are false. You are not saved by these works but are saved by grace through faith.

So, this writing is to the ones in churches that profess to know Jesus as Lord and savior and not to the world view of man. A few of the world will accept the word but you that are in organized churches should know better but have imposed your words and interpretations over what the word says. Are you proud and haughty and arrogantly taking your stand to say, “right is wrong and wrong is right”? That is Satan’s strategy which he used in the garden –” Did God really say?”.

Jesus says in Revelation 3 to the church of Sardis I know your deeds so if I a common man sees your deeds and accuses you then do you not think the Lord Jesus will see. He does not go on the worldly reputation of being alive. He has put this writing in my heart to warn you that many are dead. I have witnessed your deadness and pretense. Jesus says **WAKE UP strengthen what remains and is about to die**. Is this then not apparent to you that you do not determine the will of God but He has told you in His word but you do not even believe what He has said but instead have accepted man’s word and you know what that is worth for it has put us in the trust of this worlds power which is Satan’s power given to him by Adam.

He says that your work is unfinished or is not concluded and is incomplete. So, if He says it is not finished then there is still hope that it can be completed but who will answer the call that was sent out over two thousand years ago. Have you not yet received the call or are you still operating in this world system and are therefore still of this world and are not in Christ.

So, Jesus is writing to this church in Sardis, but I hear it ringing out to the churches of today, but our hearing is incomplete and has been interrupted by the voices of churchism which is not the word of God and certainly not the words as delivered by the bible.

So, He says go back to the word of God which is what you received and heard from the very beginning but is not what is being taught today. Receive the word and hold fast to the word which has been preserved for you to read and understand by His spirit and repent of your foolishness of trusting in this world's ways and the teachings of dead men.

So, Jesus says to the church of Sardis that He warns you if you do not wake up, He will come to you like a thief, and you will not know when it will happen. This is the warning to the many churches of today. Wake up for the times are uncertain and full of evil ways and getting worse day by day.

I came out of the Methodist church and their lampstand has been removed from outward appearances but there is still time to repent and change but it is very difficult to do because the years and years of false teaching have led the people to trust in the dialog of churchism which in the methodist case is a worship of John Wesley and the methodist church and its rituals and traditions but have no idea of what that is but have believed the dead men and women that have preached from the pulpit and trained in the dead seminaries.

Now it is apparent that it is not just the methodist church but is also many others with different background and do not forget the Catholic Church which is the mother of all lying churches and deceivers. Do not feel safe whatever denomination you are in –there are errors everywhere so go back to what you have received and been taught which is the word recorded in the bible.

So, the warning of the Lord is to **wake up** for He may come back at any moment. Are you sure you are on the right road? It is usually difficult and is called the narrow path that leads to eternal life. If yours is not a narrow road, then you might want to check what road you are on. If you are on the right road, then there are going to be potholes to deal with. If you are on the wrong road, it may look like clear sailing right into the disappointment of “depart from me I never knew you”.

[To those who are in Christ Jesus it is time to speak up and witness the true word and pass on this writing and many other writings I have posted on howardscorner.org. It is not only my responsibility to spread the true word, but it is yours also.]

That is why I am warning you to wake up, for it is an eternal decision. Do not trust it to anyone other than Jesus alone. If I did not love, you then I would not tell you these things.
